Do. Buddy

It is always fun
to know someone who
is an angle in math. You are
a creek outside school. People, other than
really nice to some people, other than
me, but it's okay because I understand
our problem. We were both born with it.
And ever since I don't know when, I have known
you and I am very hard to treat you any other
way. So try your will too.
a while

See ya this summer!
(like always)

Look over your shoulder sometime
And you'll find a memory has caught up
With you.
Take it and cultivate it.
For it is you and not words,
That will make it rich.

Who would be so bold
as to attempt
The writing of something
as precious as a
Memory?

There are no Words Cap-
able of reproducing
it effectively.

It takes the Mind.

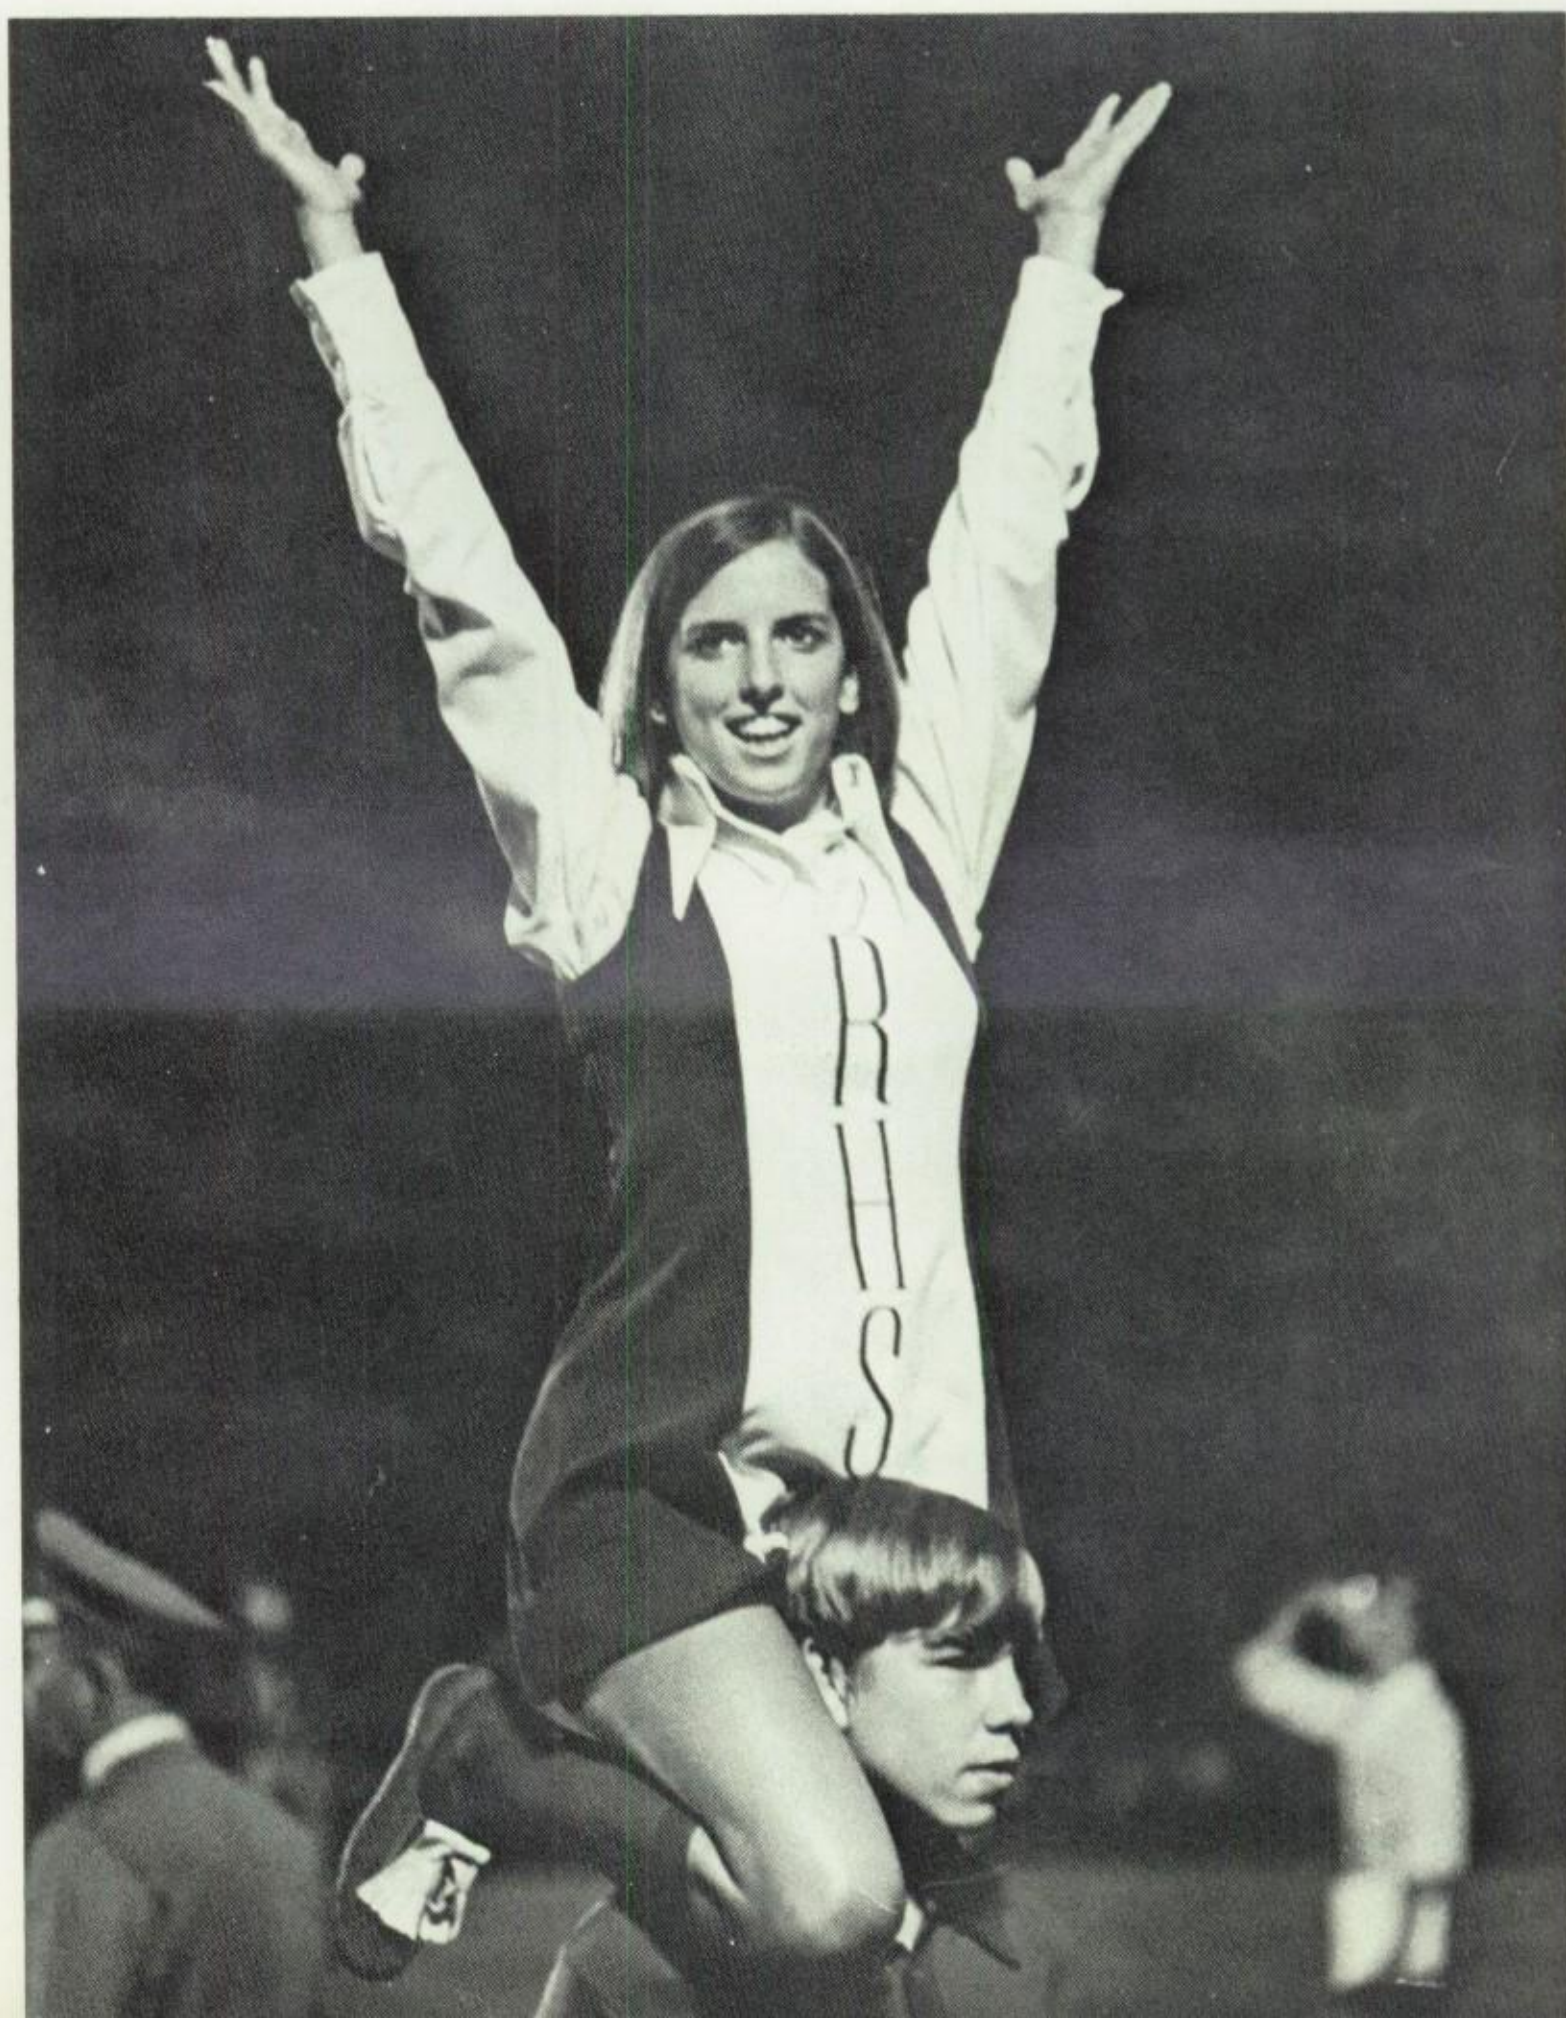

You will begin to recall
the laughter,
the sadness,
the successes,
and the mistakes.

You will see how you've changed.
You will see what you were,
And what you became.

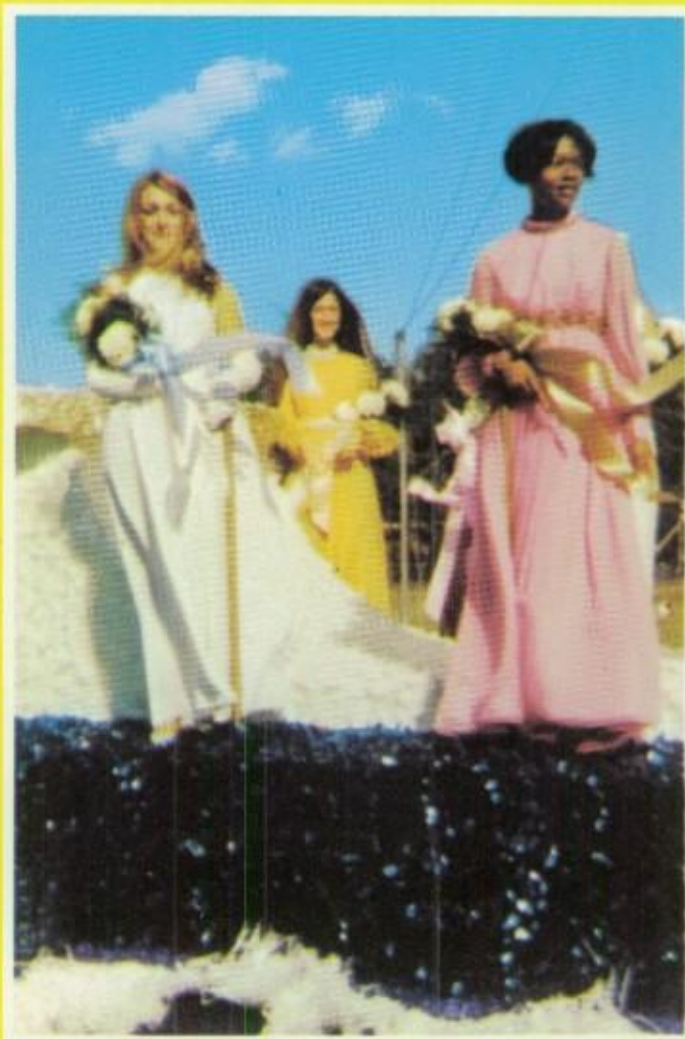

The echo of lost times
Will fill the head.

HOMEcoming 1970

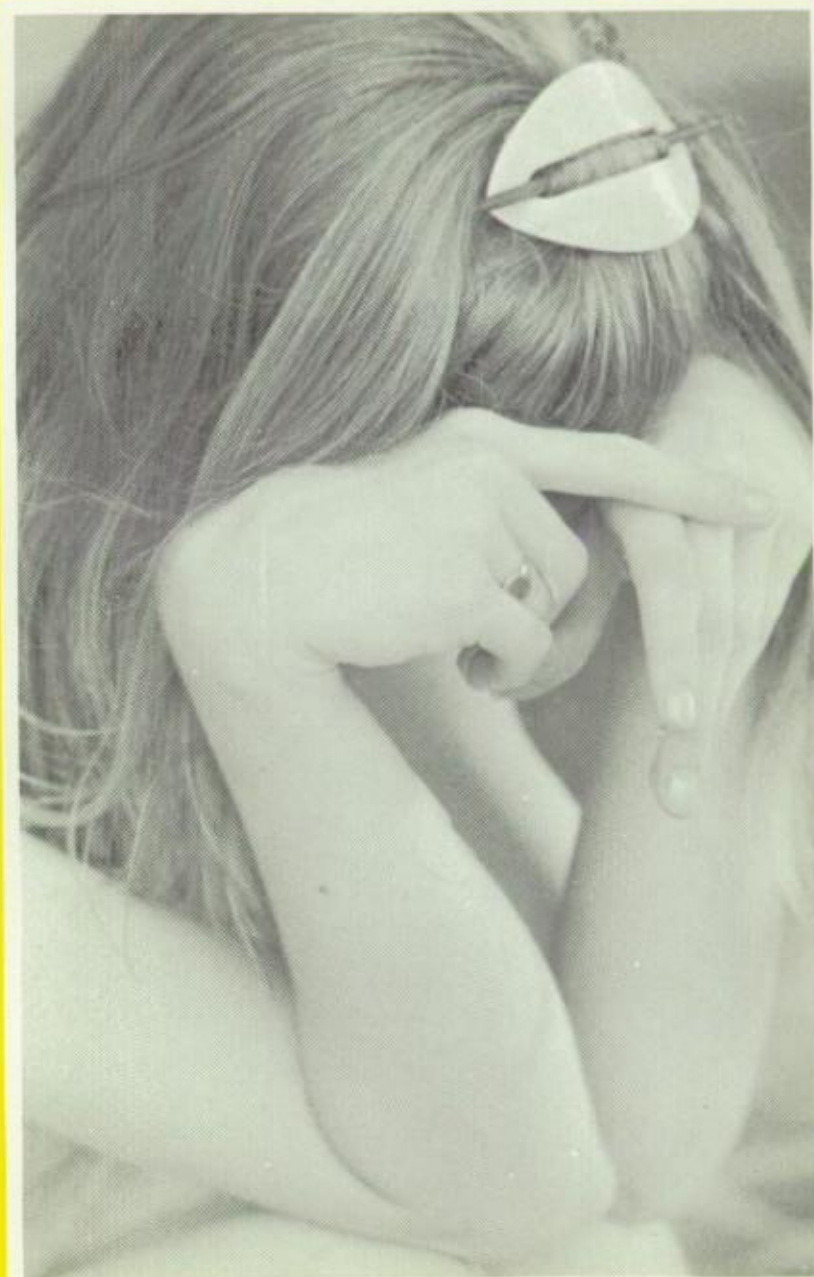

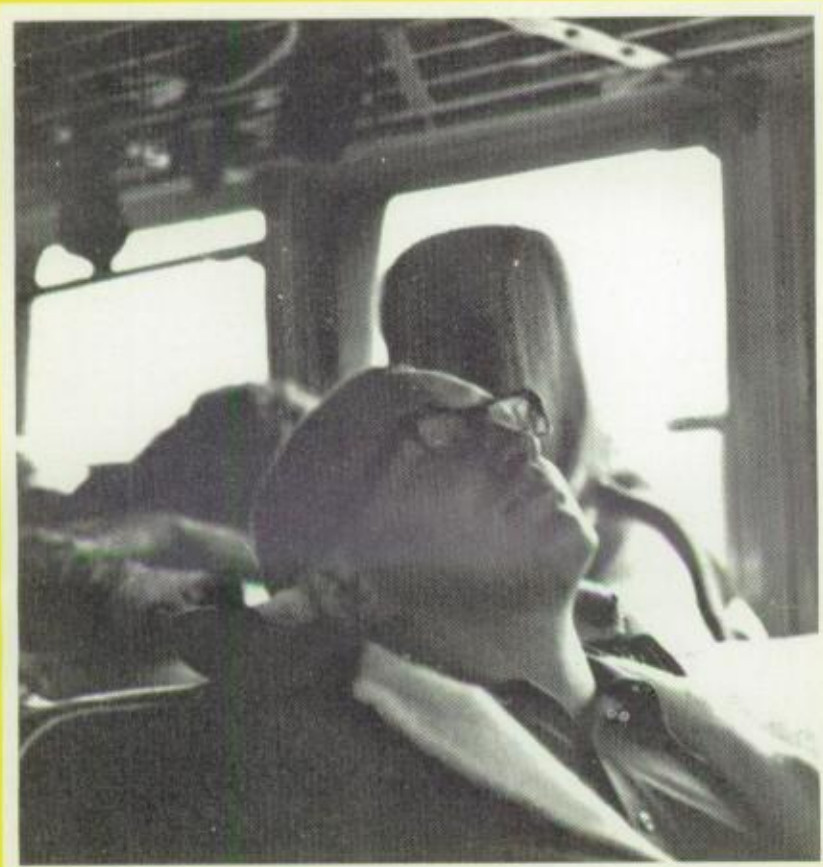

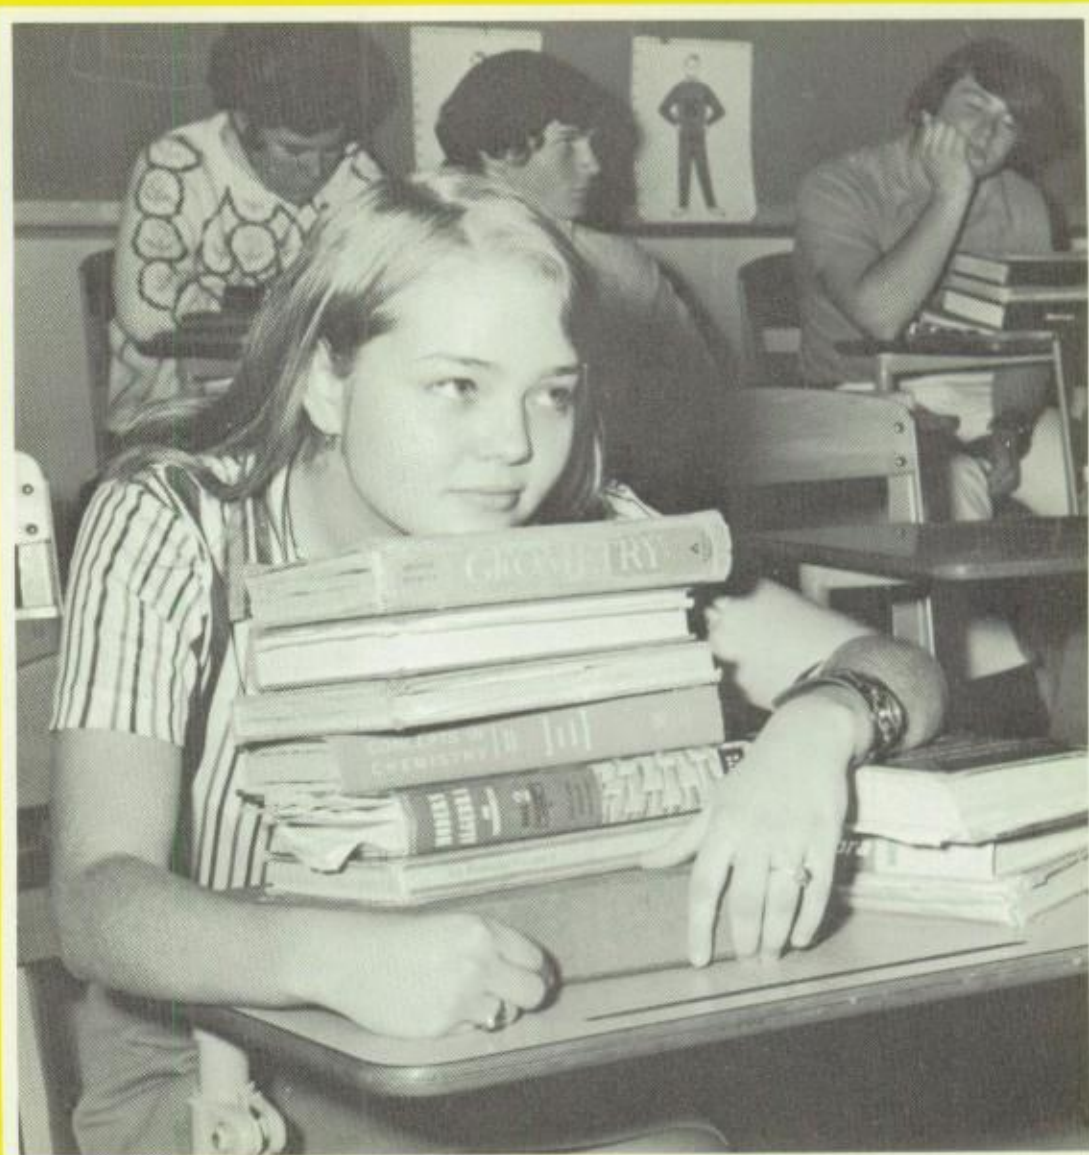

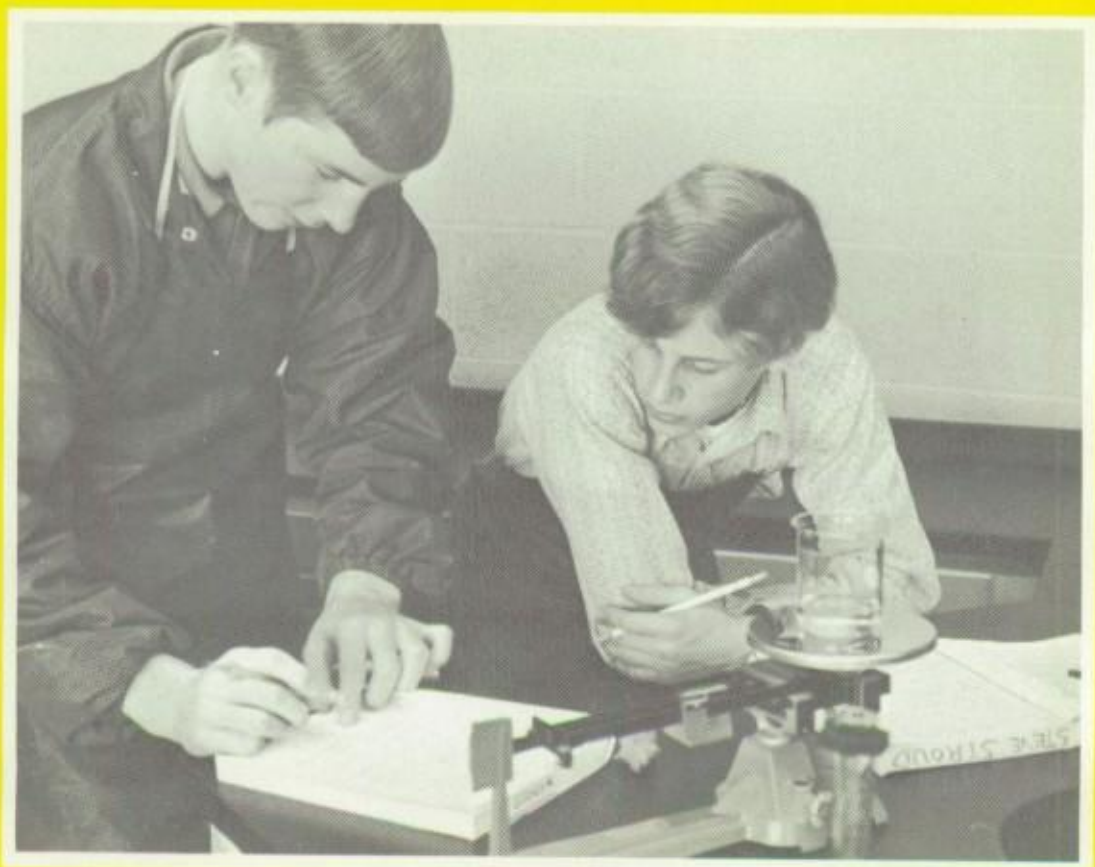

Even bad memories will become a
Part of the experience.
It is odd how we care for them
Just as the others.

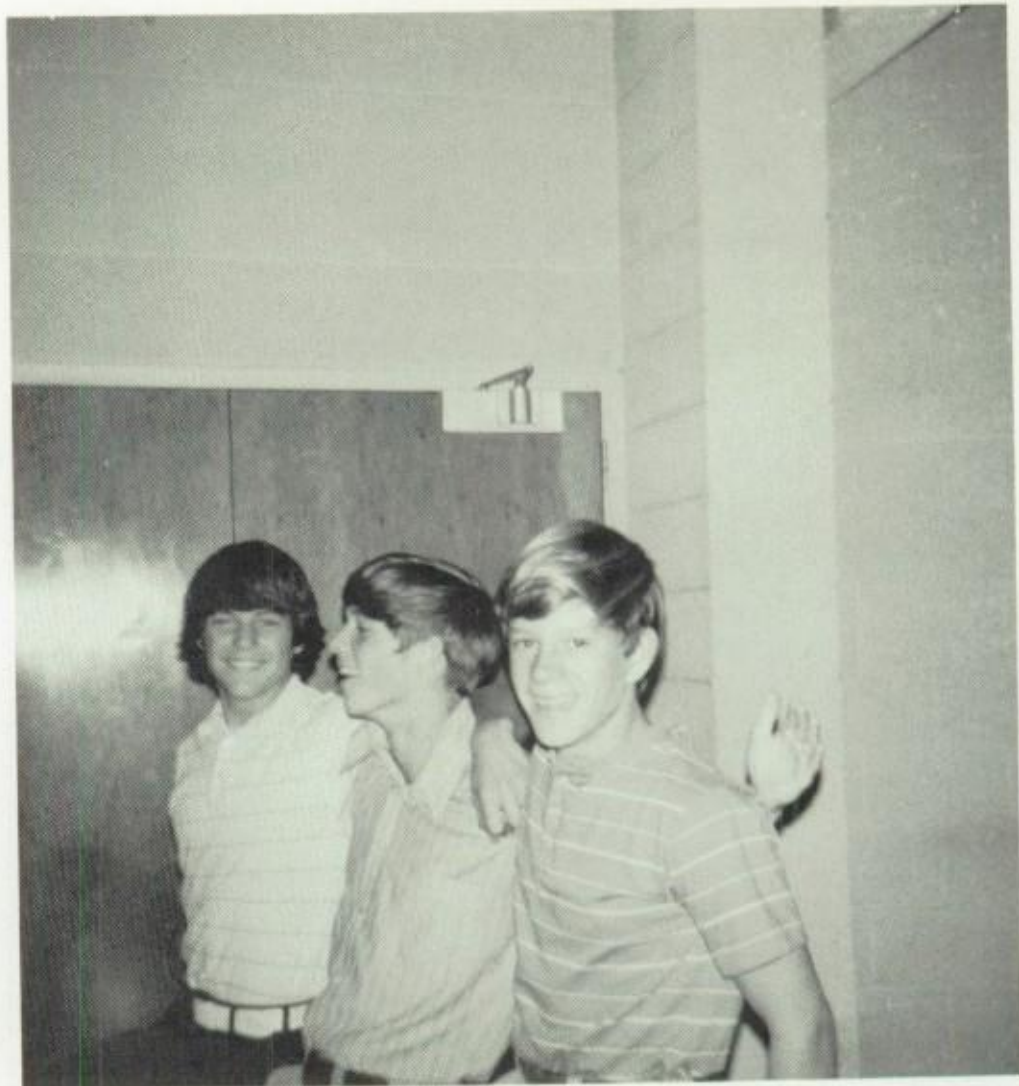

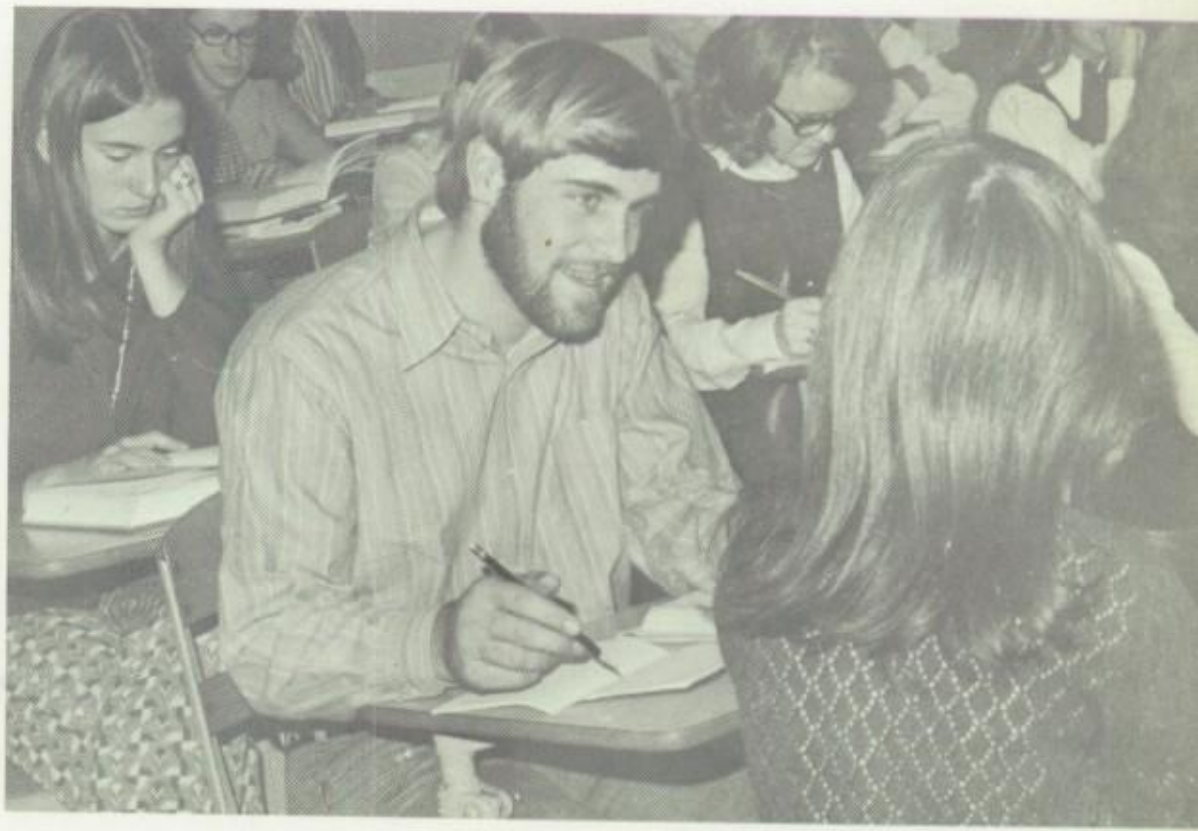

Friends. Ah, yes!
They were the cause
of so many memories.

But after all,
their memory is one
of friendship's
strange-benefits.

DEDICATION

As a symbol of our true friendship and appreciation, we the class of 1971 dedicate THE ECHO to one whose spirit and enthusiasm spread to us, whose love of teaching added to our understanding of the world, and whose jolly attitude changed our gloom. No one ever forgets what he learns from a friend, and for this we remember

MR. ROGER CHANCE.

VALEDICTORIAN

REBECCA LOUISE HIGH, daughter of Mr. and Mrs. Lacy High, has the highest academic average based on three years of secondary school study. Becky's academic pursuits have been varied. She completed six hours of summer school work at Guilford College after her sophomore year. She also spent a week at Kent State studying preparation of the yearbook. Her next summer involved a tour of Europe. She has attended UNC-G three days a week to study French Conversation. She also did volunteer work at the Cerebral Palsy School in Greensboro. In March, 1971, Becky spent a week in Washington, D.C. at "A Presidential Classroom for Young Americans." Superior in attitude, dependable, cooperative, and very friendly are just a few of the qualities that describe our highest honor student.

SALUTATORIAN

ZANDRA KIM SLEDGE is the daughter of Mr. and Mrs. Tommy Sledge. Ragsdale gained this superior student from John Hersey High School in Arlington, Illinois, during her junior year. She immediately became involved in school activities, including National Honor Society, Sub-Juniors, Civinettes, and was selected as a majorette. Math is Kim's favorite subject and she plans to major in Math at N.C. State University. During March, she also attended "A Presidential Classroom for Young Americans." Kim represents a very well-rounded intelligent student whose energies and ideas will carry her far.

President Randy Robertson adds a comment as the members discuss Robert's Rules of Order.

Members take notes on correct Parliamentary Order.

The 1970-71 Student Congress has come alive under the enthusiastic leadership of Mrs. Mileski. Revising the Constitution, taking up money for the Pakistan Relief Fund, enforcing parking lot regulations, initiating and up-to-date dress code, and sponsoring a school spirit committee are only a few of the many activities. The chief aim of this year's Student Congress has been to truly represent the ideas of the WHOLE student Body. Many thanks to their large effort and many contributions to the school!

Mrs. Mileski helps Martin Eakes plan Constitution revisions.

The 1970 Ragsdale golf team made a fine showing. Besides finishing second in the County Conference, the team went on to place fifth in the Regional Tournament.

Forming the nucleus of the 1971 golf team are six lettermen: David Wall, Marty Kennedy, Billy Wall, Phil Wrenn, Steve Carter and Randy Sechrest. The outlook for another fine season is good, with returning juniors and upcoming sophomores.

Pitchers and Catchers—Watts, Blackard, Crawford, Clark, Glover.

The '70 baseball season fell below expectations, since their record became 5 wins in eleven games. Their effort paid off in improved scores and their record shows they were increasingly tougher to beat.

Losing several of their star players to colleges, the team hopes to rebuild with new talent this season.

ROW 1: Infielders—Smith, Barton, Smith. ROW 2: Sullivan, Rickman, Davis.

ROW 1: Outfielders—Pearson, Cleveland, Reddick. ROW 2: Horton, Boedicker, Swainey, Watts.

ANOTHER WINNING SEASON

The Tigerettes have kept up their grand tradition of superiority in area girls basketball. This year, they completed the regular season with a sparkling 19-0 mark.

Leading the girls through the season was captain Shirley Davis. The Tigerettes were coached by Judy Flynn. This year's record duplicates the one set last season by the Tigerettes.

Another ultra-successful season only adds to the glory past teams have reaped at Ragsdale. The reputation of a constant victor is widely known and most certainly well deserved.

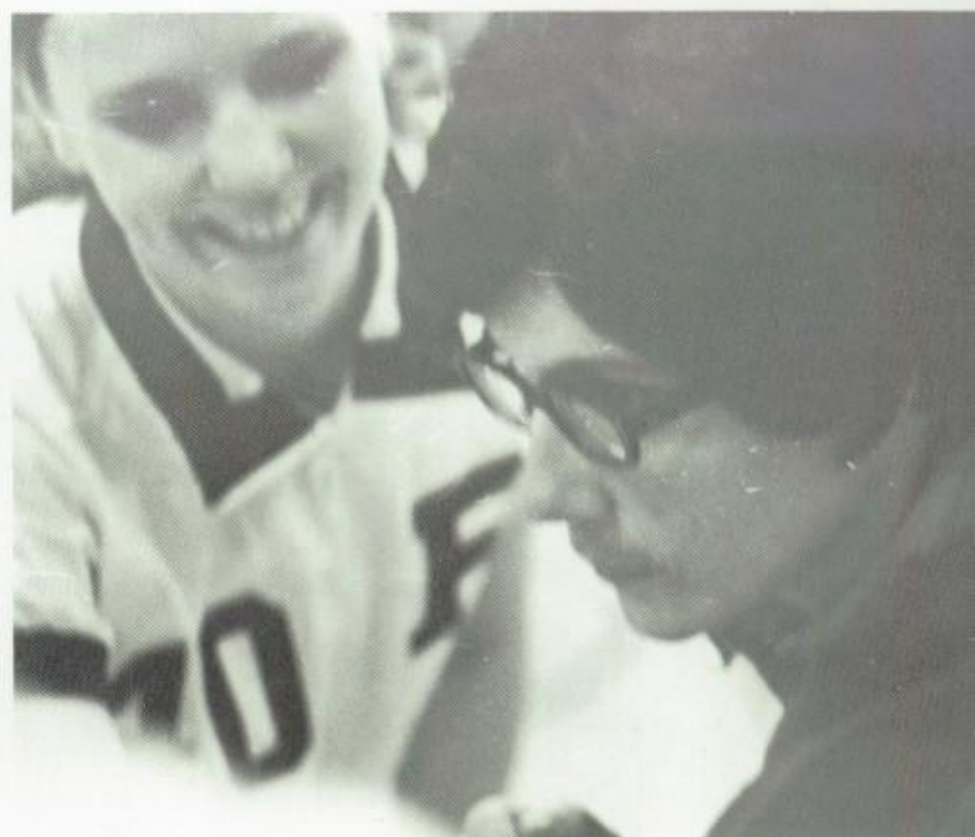

The perfect record describes the "perfect" team well. For with many key players out with injuries, the Tigerettes still handled the opposition with ease. With the balance in scoring being obtained from the outset, the Tigerettes rolled to the Guilford County Conference crown.

Captain Shirley Davis led the 1970-71 team in scoring.

ACADEMICS

FACULTY

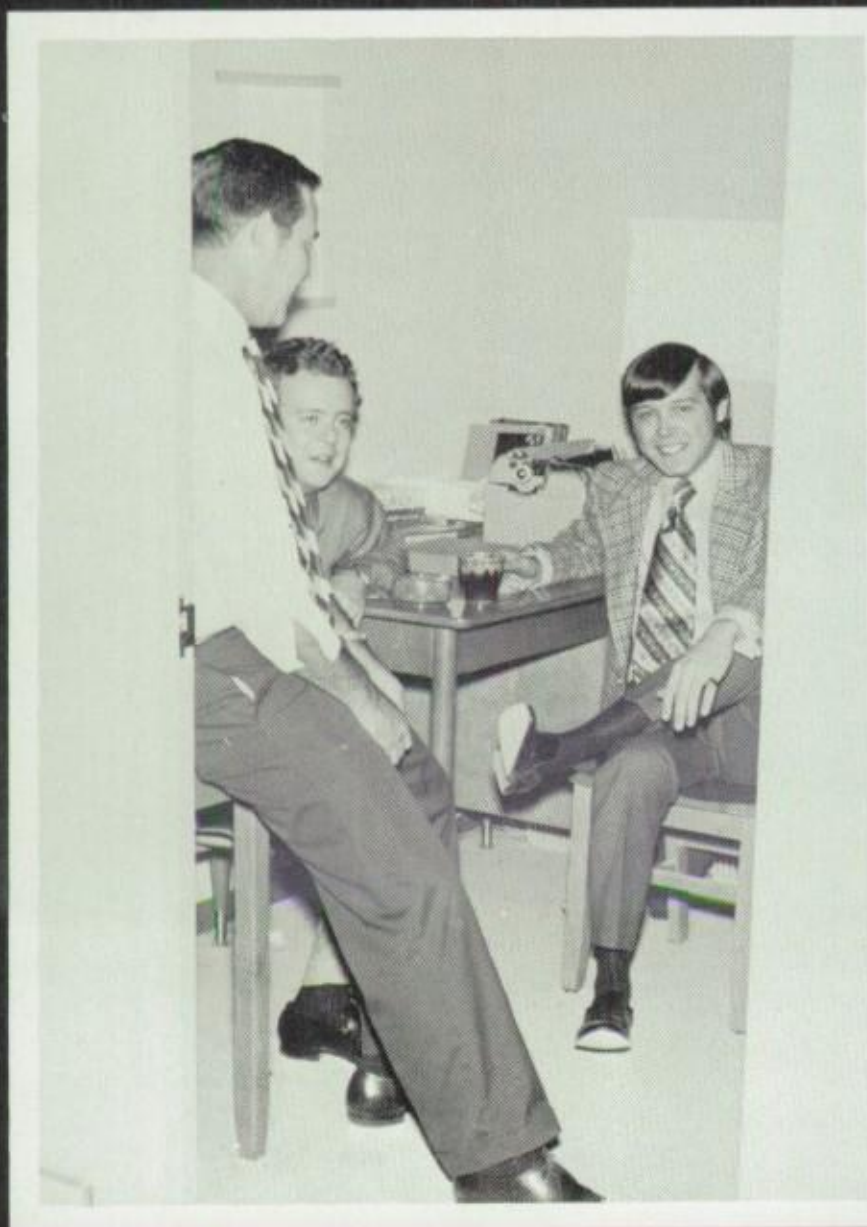

There were other friends.
Teachers.
Our memory of them is just as strong.
They taught us
Languages, histories,
Numbers, formulas, and sciences.
They tried to present us with a
picture of our world.

But we were also given a better
picture of something else—
Ourselves.
Just as we learned from their wisdom,
We learned from their mistakes.
They were not perfect.

No two were alike
So our learning was different.
In classes we disliked
We would count the minutes until
We could be in one we enjoyed.

They would make us laugh,
And they would make us cry.

Because use of the
Doors would be locked;
Enough homework would be given
To fill a library;
And we would learn how to wash a
blackboard.
Because of them
We would have a shoulder to lean on,
Someone to understand,
And a friend.

CLASSES

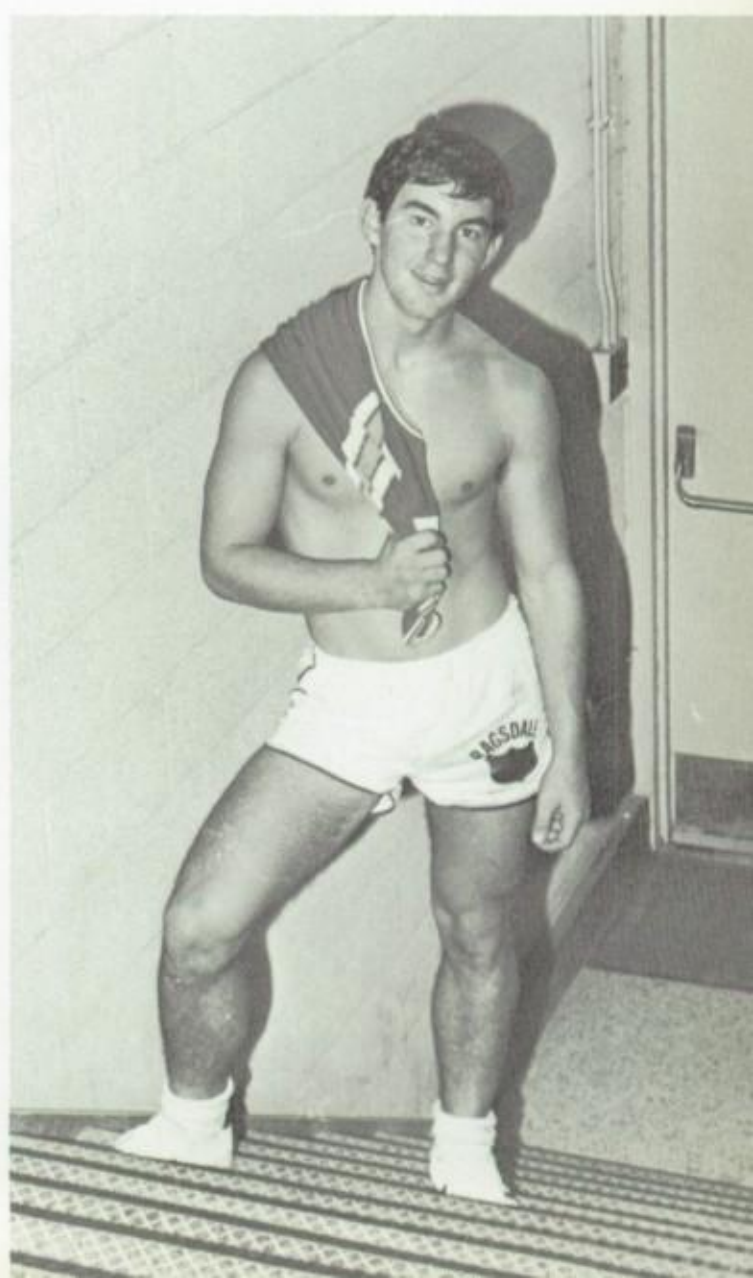

Who makes life a bit easier
but a friend?
In times of sadness,
when words are of no use,
Who but a friend
would know to be silent,
And yet you know
that he was there?

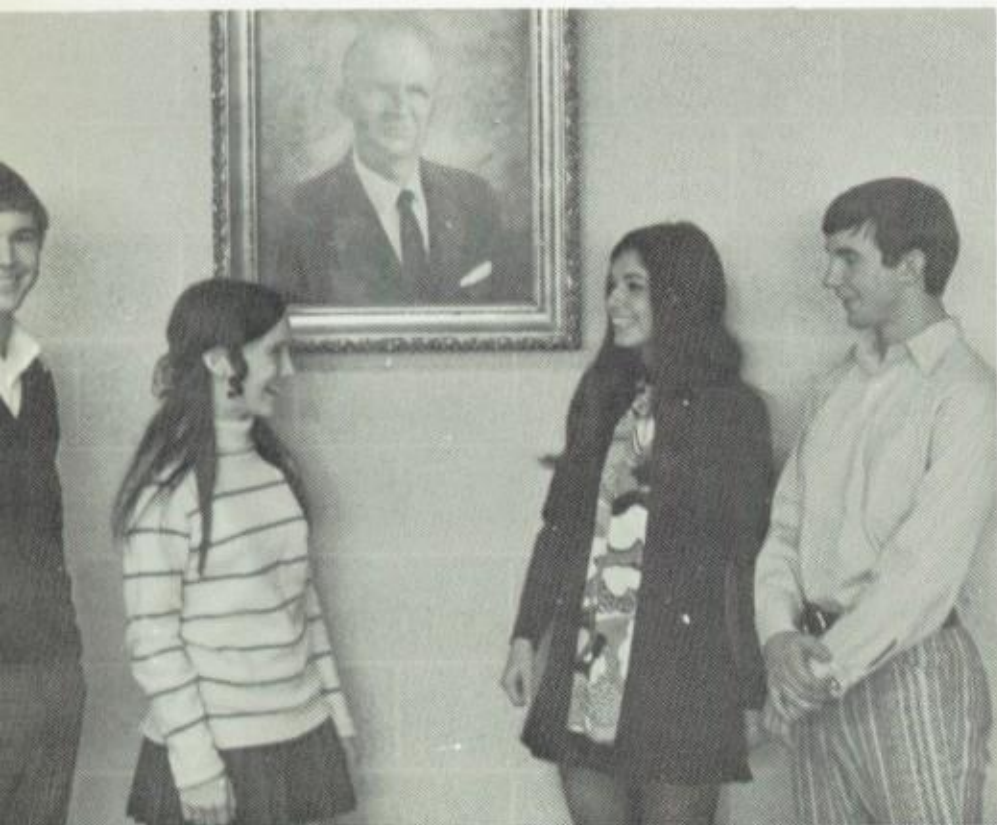

We stand and feel a bit fuller,
more of a complete person,
Thinking of friends we have made.
But there will
Always be that inch of sadness
somewhere in our hearts
When we think of friends
we might have made
but didn't.

So many faces,
so many faces—
Always the opportunity of discovering a person;
perhaps someone
We had seen a hundred times,
yet only smiled at once.

In years to come
the words will belong to another time,
But their message shall always
be one with the present.

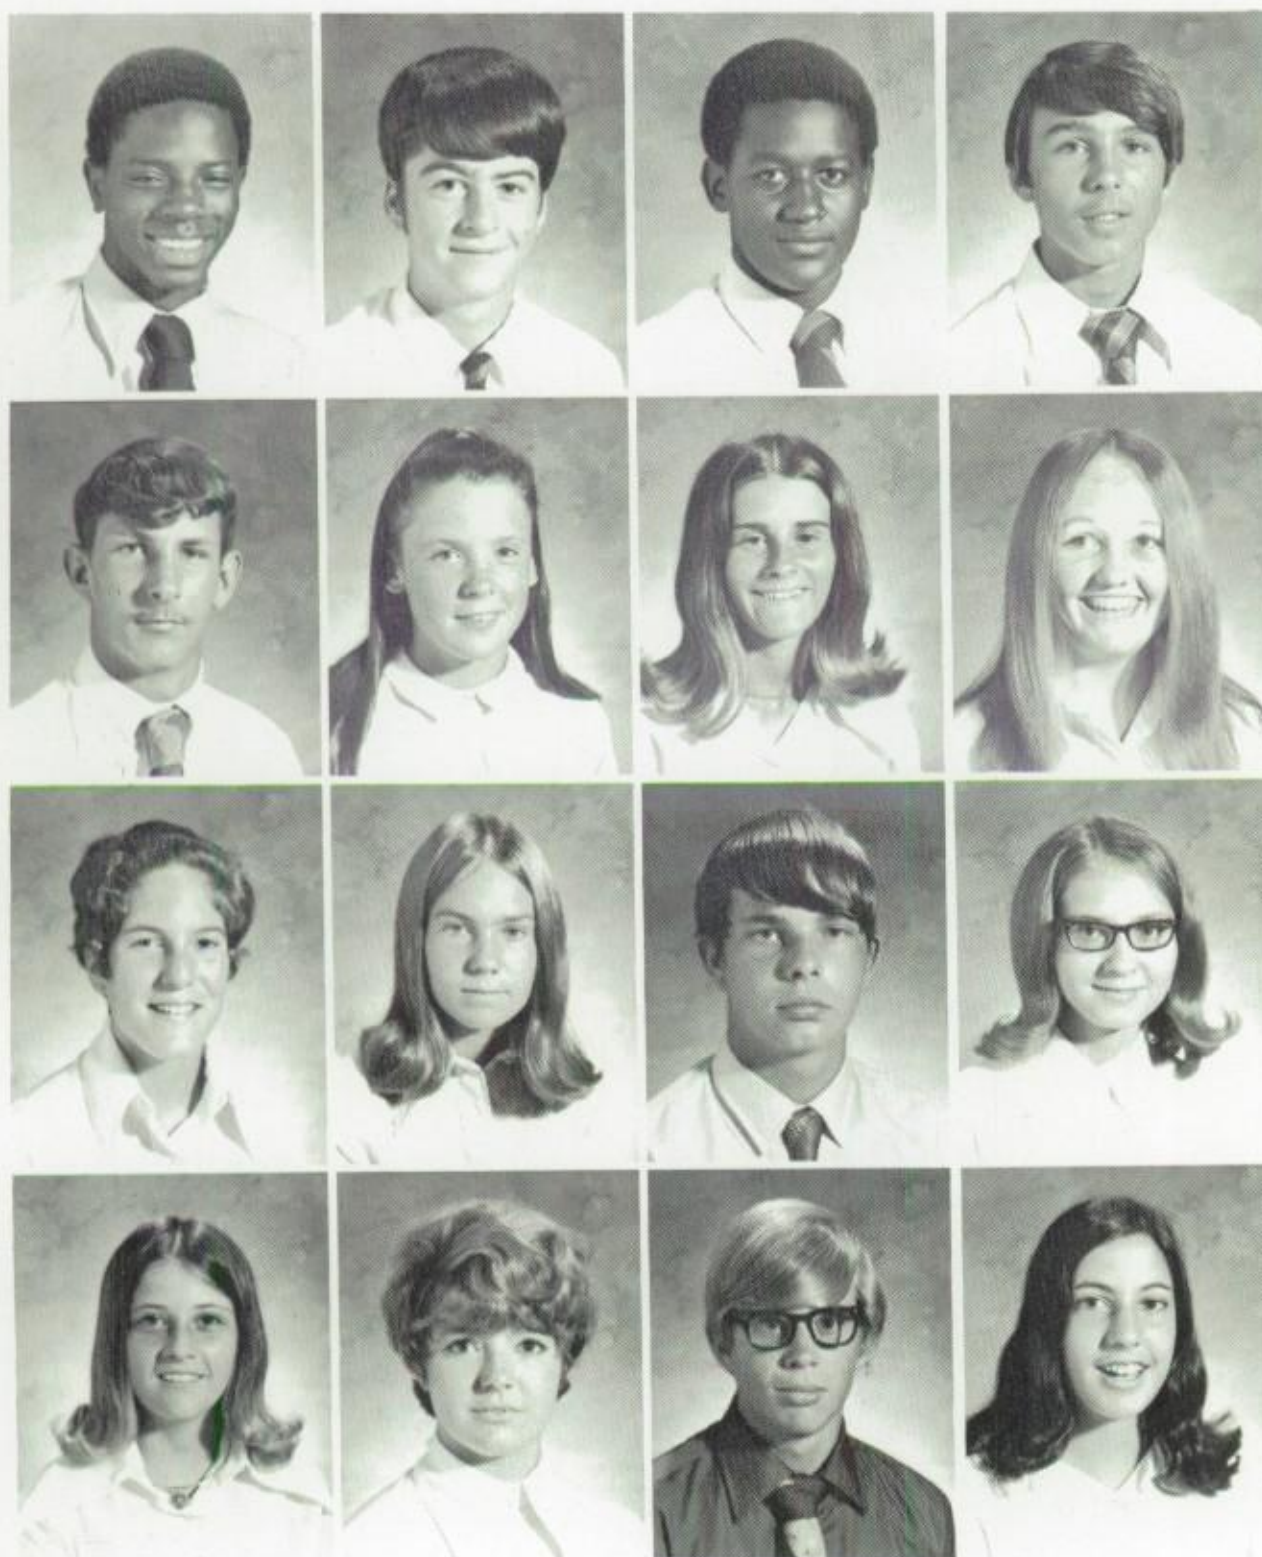

And though it was but another step we found ourselves beginning anew. But this *déjà vu* that would require another nine months of our life would be different.

Laughter is the greatest luxury
That life can afford.
'Tis fathered by happiness
Sustained by a warmth,
And given by a friend.

Why I didn't say it while you were
Still with me
I'll never know . . .
So let me say it now:
You, my good friend
Have made me rich.

When ones we've known, liked,
And loved
Are no longer with us,
We are met with tradition
And find a memoriam in order.
It is a proper thing to do.
But this time
We wish to sacrifice tradition
For the sake of simply saying:

We called them
Friends
Because from them
We learned what friends are.

A serious young person destined for greatness is LYNN WESSON. A problem-solver and an efficient organizer are both needed if an organization is to succeed, and it surely will if Lynn is its president. Recognized as a true leader because of her wisdom and understanding, the class overwhelmingly selected Lynn an outstanding senior.

A gentle and warm person who enriches the lives of all who know him is BILLY BRILES. A poet of our generation, he expresses the way we believe. The annual nor newspaper could have been accomplished without his contributions. His genuine interest in others makes him well-liked.

Outstanding in several sports, CHARLIE BOCHOLIS succeeds in a quiet and determined manner. Considered a real friend, Charlie is an all-around nice guy, fun to be with and a good sport in all instances.

You may not know that there is a quality institution of higher education in High Point—a four-year, liberal arts college. High Point College is a mixture of the old and new, offering an ideal atmosphere for students with a variety of backgrounds and interests.

A new student applicant must take the S.A.T. and must have graduated with the college preparation curriculum from high school. You may want to investigate the early decision plan or you may wish to be considered under the regular rolling admissions schedule.

Since college represents total development in many areas, High Point College strives to allow freedom to encounter such training through a

student oriented program. There is no attempt to force students into assuming specific thought patterns, dress codes, etc. However, with the exciting new concepts of curriculum and personal freedom that college brings, there is also the responsibility to protect such freedoms. All students are expected to conduct themselves as responsible young men and women.

In order to learn more about High Point College we encourage you to visit the campus. Take a look at our facilities. Talk with our students and faculty. Look at the admissions materials. Ask for an application.

You may be missing something important!

Once again that annual parting
stared us boldly in the eye,
And we could only accept
Its challenge—
Not back away.

The months were too short.
Or were they too long?

The days had to die.
That new ones might be born.
And so —
The memories struggled in that
sweet termination and survived.

It is such a waste of words
to try to explain what it was like.
Even a simple good-bye
did not seem worthy
of the situation.

How can one write
What must be felt?
One cannot.
Words are so useless.
Very, very
Useless . . .

BILLY BRILES

Laine,

First I want to say that I consider it an honor to be able to sign such a fine persons annual. You are a sweet person one whose Algebra could not have been finer. Don't ever change because with your fine personality and sweet disposition you will go far. Don't ever let anyone try to discourage you from anything you truly want. Stay just the way you are. I hope someday you find all the happiness ~~as~~ that you truly deserve. I don't want to be a hog of the page as much as I am. Please come to see me this summer.

Love ya,
Ashley

Laine,
Hain't ^{enough} been fun this year
Really we did have a
good class and there was

going on. Hope you have a great
summer and have fun!
Love,
Jeanette

Laine,
I don't know whether
you know what it's like,
being the only sophmore in
a class with smart juniors
and seniors. But I can tell
you - it ain't easy! I really
am thankful for your presence
in AII everyday; without you am
managed don't think I could have
beared it. Especially since I came
in late in the year. Thanks for
being there to pull me through.

Same,
 Well Spanish class was really
 pure. Tee dumb this year and
 we had a lot of laughs. I won't
 ever forget our "class" discussions!
 Ha! Tell people in that class! Oh
 well, that's the way things are.
 Maybe, just maybe, we'll be in Spanish
 together (without Wanda). I hate to
 sound so cliché so I'll just say,
 you're a great gal, and fun to sit
 next to. Good luck always! Be good
 this summer!

Su amiga,
 David

Same,

It's been a while since we
 had classes together, so I'm
 glad we finally had another
 one together. You're still the
 sweet, cute, red-headed kid
 from second grade. It's
 taken a while but we're
 finally going to be Seniors

We're also survived
 Mrs. Smith's class &
 that's pretty good.
 Have a good summer,

Race,
 Jeanette

Same,
 I'm glad to meet you
 this year, and also work
 together in the Furniture
 Mark. I hope you will re-
 member the good time

Laine,

It seems to have been a very
 fast year but it was the influence
 of many good friends that made it
 good so fast. Hope you will be in some
 of my classes next year. Have fun this
 summer and I'll see ya next year.
 I'll then, David White

There are a lot of people who are
 giving up on you. They are
 saying you are a failure. But
 you are not. You are a success.
 You are a person who is
 always there for your friends.
 You are a person who is
 always there for your family.
 You are a person who is
 always there for your community.
 You are a person who is
 always there for your country.
 You are a person who is
 always there for your world.
 You are a person who is
 always there for your future.
 You are a person who is
 always there for your life.

Laine,

I want to congratulate you for keeping your sanity this year while attending the classes I was in. If Mr. Chance didn't have us laughing at his "jokes" nobody would. Well, have a very nice Summer & keep laughing - I won't quit!

Don Bridger

Laine,
We've had a lot of good times in the last two years in Study Hall and Algebra II. I'm going to miss that laugh of yours and all the worries we had on Algebra tests. You're a great kid and I hope to see you sometime soon again. Take it easy. Stay sweet.

Thanks for helping making it possible! you're really a great person! See 'ya!
Sherry Cannon '72

you're really a sweet person, and I enjoy being around you. What would it have been like for me if you hadn't come to all those games with me? Not as much fun, that's for sure! I wish we'd done more together this year, but there's still the summer, (MPT), and of course, next year at school. Stay the same sweet person, you're really something

Well, this

way you are. You're a true
friend.
Revolisdrin

I don't have much to say
cause I don't really know you
too well. Nevertheless you
are a really nice girl. Also
just in case, you seem to
be a shy & sensitive girl.
But really, I guess that is
just a mask to hide
your real personality. (misspell word)
